

June 1, 2009

Dear Parents:

Please find enclosed a Health Inventory Form for each of your children returning to St. Mary's School for the 2009-10 school year. These are to be completed by you, the parent, and returned the School. If possible, please return completed forms with your bookbills on August 1. If this is not possible, please return completed forms prior to the first day of school.

If your child is new the St. Mary's School for the 2009-10 school year, you should have received additional sheets for completion and signature by your child's health care provider.

It is essential that we have current information about each of your children in order to serve their needs, especially in the event of an emergency.

If we need particular information or your child needs updated immunization information, you will be notified separately with detailed requirements.

Please remember that no medication may be administered at school without authorization and instructions from the health care provider. Forms for prescription or over the counter medications, as well as Epi-pens, are included in the Bookbill mailing.

If you have any questions, please feel free to call or e-mail the school.

Sincerely,

Silvia LoDuca-Edelman, R.N.
School Nurse
