

**Dear Parents and Family Caregivers,**

Today we read a story about Belinda, who taught her Uncle Frank that it is never smart to trust your life to luck. Ask about the story and practice the Rhyme/Rap/Cheer together.

## **"I Don't Trust My Life to Luck!"**

**The safest seat is in the back.  
I always choose it; that's a fact.  
If a seat belt doesn't work,  
I choose another so I won't get hurt.  
In a van, a car or truck,  
I don't trust my life to luck!**
