Mission

The mission of the advisory board is to assist the Director and the Faculty of St. Mary's Preschool in providing a high quality preschool program for the children and the families enrolled in the preschool.

Goals:

- Be an ambassador for St. Mary's Preschool in the community as well as within the school community.*
- Share concerns, ideas, advice, experience, expertise and thoughts with the Director to help strengthen the decision making process.*
- Serve as a liaison between Parents and the Director/Faculty regarding issues of importance.*
- Meet quarterly.*
- Develop questionnaire to be distributed to current and former preschool families regarding the current and future needs/direction of the preschool to be completed by November 2006.*
